

BFCL.065 Curtailment of privileges of BPL holders aged 70 years or older in commercial passenger ballooning

Regulation (EU) 2020/357

BPL holders who have attained the age of 70 years shall not act as pilots of a balloon engaged in commercial passenger balloon operations.

GM1 BFCL.065 Curtailment of privileges of BPL holders aged 70 years or older in commercial passenger ballooning

ED Decision 2020/003/R

Applicability of age limitation

'Commercial passenger ballooning' as per point BFCL.065 includes any flight during which fare-paying passengers are carried. This means that, for example, if during a competition or a promotion flight fare-paying passengers are carried, the age limitation of point BFCL.065 for the BPL holder applies.
