

BOP.BAS.120 Carriage of special categories of passengers

Regulation (EU) 2018/395

The pilot-in-command shall ensure that persons requiring special conditions, assistance or devices when carried on board a balloon are carried under conditions that ensure the safety of the balloon and of any persons or property carried therein.

AMC1 BOP.BAS.120 Carriage of special categories of passengers

ED Decision 2018/004/R

CARRIAGE OF CHILDREN AND PERSONS WITH REDUCED MOBILITY

The pilot-in-command may exclude children or persons with reduced mobility from transportation in a balloon when:

1. their presence may impede:
 1. the crew in their duties;
 2. access to emergency equipment; or
 3. the emergency evacuation of the balloon; or
2. those persons are:
 1. unable to take a proper brace position;
 2. smaller than the inner height of the basket wall; or
 3. unable to understand the passenger briefing.
