

ML.A.907 Findings

Regulation (EU) 2019/1383

1. Findings are categorised as follows:
 1. A Level 1 finding is any finding of significant non-compliance with the requirements of this Annex which lowers the safety standard and seriously endangers flight safety.
 2. A Level 2 finding is any finding of non-compliance with the requirements of this Annex which may lower the safety standard and may endanger flight safety.
2. After receipt of notification of findings in accordance with point [ML.B.903](#), the person or organisation, having responsibilities pursuant to point [ML.A.201](#), shall define and demonstrate to the competent authority within a period agreed with this authority a corrective action plan, aimed at preventing reoccurrence of the finding and its root cause.
